

the difference IS IN THE BAKING

- Slowly Oven-Baked • Fresh Meat As 1st Ingredient From Selected Farms • Higher Density Vs Extruded Products • Natural And Holistic • Prepared With Fruits & Vegetables • Hormone & Antibiotic Free • GMO Free •

OVENBAKEDTRADITION.COM

A FAMILY STORY

“When we created **OVEN-BAKED TRADITION™** cat and dog food, we wanted something different, something unique – something that would be as delicious as it was nutritious. Similar to home-cooking, we decided to slow-cook our food in smaller portions to enhance the quality and bring out the natural flavors and aromas. Our food is made with fresh meat and savory fruits & vegetables for an irresistible taste. It is also easy to assimilate & digest. Try it today and you'll quickly see the positive effects on your pet.”

WHO ARE WE ?

- 2 Production Lines At The Cutting Edge Of Technology
- Quality Control Laboratory
- R & D department
- 6 Ultra-Performing Packing Lines
- Internal Traceability System
- 2 ovens (49 m & 55 m long)

- Family owned business
- Established in 1996; Launch of Oven-Baked Tradition brand in 2006
- Located in Saint-Hyacinthe, Quebec, CANADA
- More than 190 employees
- Certification:

OUR EXCLUSIVE MANUFACTURING PROCESS

Unlike most (95%) pet foods made through extrusion, **OVEN-BAKED TRADITION™** cat and dog food is slow-baked in the oven at low temperatures. There are many advantages to an oven-baked pet food. Among other things, you can put a lot more fresh meat into the recipe and bring out all of its aromas and flavors, use ingredients that are easier to digest, and maintain the integrity of the protein sources and essential vitamins. Oven-baking also produces pet food that is up to 20% denser, so you don't have to feed your cats or dogs as much for them to feel full.

OUR COMMITMENT

.....
OVEN-BAKED TRADITION™ is committed to offering pet food formulas that meet premium-quality standards every day. Our dedicated team promotes the **OVEN-BAKED TRADITION™** brand by making products like no other on the market. What makes us different is our baking process, our unique recipes and our natural, premium-quality ingredients.

We believe that cats and dogs deserve the best, so we put them and their well-being above all else. We're committed to giving your pets everything they need in order to help them live a long and healthy life by your side.

EXCEPTIONAL NUTRITION

Made in Canada by a family business, **OVEN-BAKED TRADITION™** offers irresistible taste and exceptional nutritional value! All of our recipes are oven-baked in small portions for maximum quality and freshness, just like you would at home. They also contain real meat from selected farms as the first ingredient. Whether you choose deboned chicken, lamb, duck, turkey or fish, the freshness and quality of our meat is always uncompromising. Our formulas also include savory fruits and vegetables such as sweet potatoes, apples, blueberries, bananas, spinach, broccoli, pumpkin and cranberries (to name just a few), which provide cats and dogs with the essential nutrients they need to lead a long and healthy life. To meet your furry friends' other essential nutritional needs, we also add vitamins and minerals, as well as locally grown whole grains (barley, oats, rye, flaxseed) which we mill ourselves to optimize their benefits. Because we care about the health of cats and dogs as much as you do, all of our formulas are free of hormones, antibiotics, artificial flavors and preservatives.

OUR DIFFERENCE

- 1 • Slowly oven-baked
- 2 • Homemade recipes in smaller portions
- 3 • Higher density vs extruded products
- 4 • No artificial flavors or preservatives
- 5 • Contains whole grains milled in-house
- 6 • Lamb as 1st ingredient
- 7 • Fresh fish as 1st ingredient
- 8 • Fresh chicken as 1st ingredient

*WITHOUT

- WHEAT GLUTEN • WHEAT • GMO • CORN • SOY • BOVINE PRODUCTS
- BHA/BHT OR ETHOXYQUIN (EQ) • ARTIFICIAL FLAVORS OR COLOURING AGENTS

ACTIVE INGREDIENTS

Our ingredients are selected with the utmost care in order to offer ideal and functional recipes with all the benefits that your pet needs.

CRANBERRIES

They help prevent urinary tract infections and are a good source of vitamin C along with antioxidant properties.

INULIN

Inulin acts on the immune, cardiovascular and digestive systems, and has remarkable virtues in maintaining a healthy weight and treating obesity.

PUMPKIN

Rich in essential fatty acids and antioxidants, it's great for overall healthy skin and fur and support urinary health. It's also an excellent source of vitamin A, beta-carotene, potassium and iron, and helps reduce the risk of cancer.

BETA-CAROTENE

Rich in vitamin A, providing a host of nutritional benefits. Beyond supporting eye health, it also assists in supporting a thriving immune system and healthy skin and coat. It's a powerful antioxidant and immune modulator.

APPLES

The apple has many assets for your pet's health. Tasty and healthy, this disease-fighting fruit packs a nutritional boost, complete with dietary fiber, vitamins A and C, and antioxidants. As a bonus, apples can help keep your pet's teeth clean and breath fresh.

GLUCOSAMINE HYDROCHLORIDE & CHONDROITIN SULFATE

Plays a crucial role in maintaining the integrity of the cartilage of all joints.

SPINACH

Very rich in fiber, spinach aids digestion and is an incredibly nutrient rich vegetable. Dense in iron and magnesium, as well as essential vitamins A, C and E.

SWEET POTATOES

Sweet potatoes are a good dietary source of vitamin A, which promotes healthy skin, coat, eyes, nerves, and muscles. Sweet potatoes are also a rich source of vitamins A, C, B6, potassium, calcium, and iron, just to name a few!

BLUEBERRIES

In addition to being a storehouse of antioxidants, blueberries also contain fiber and vitamins C and K. These nutrients support the immune system and contribute to overall health of your pet.

BANANAS

They are packed with potassium and vitamin C and they're also good sources of vitamin B6, potassium, magnesium, vitamin C, fiber, biotin, and copper all of which benefit your pet's overall health and helps boost the immune system, replenish electrolytes, and promote skin and coat health.

CAT FOOD

OUR NUTRITION SPECIALISTS CREATED DELICIOUS AND PERFECTLY BALANCED RECIPES TO PROVIDE YOUR CAT WITH ALL THE ESSENTIAL NUTRIENTS IT NEEDS TO STAY HEALTHY REGARDLESS OF ITS AGE AND BREED. OUR UNIQUE LOW TEMPERATURE BAKING PROCESS PRESERVES THE INTEGRITY OF THE NUTRIENTS AND VITAMINS.

KITTEN
CHICKEN

Composition: Chicken (22.5% from fresh chicken, 20.5% from dehydrated chicken), barley, brown rice, rye, fresh chicken liver, canola oil, dehydrated fish, brewer's yeast, pumpkin, oat, flaxseed, beet pulp, dried egg powder, salmon oil, inulin, sweet potatoes, apples, carrots, spinach, blueberries, sea salt, cranberries, pineapple, green tea extract, glucosamine hydrochloride, chondroitin sulfate, parsley, *yucca schidigera* extract, rosemary extract. **Analytical constituents:** Protein 30.0%, fat content 16.0%, crude fibres 3.0%, crude ash 7.0%, calcium 1.0%, phosphorus 0.8%, magnesium 0.11%, potassium 0.6%, sodium 0.2%, omega-3 1.0%, omega-6 2.8%, glucosamine 100 mg/kg, chondroitin sulfate 100 mg/kg. **Additives per kg (nutritional additives):** Vitamins: Vitamin A (retinyl acetate) 10 000 IU, vitamin D₃ (cholecalciferol) 750 IU, vitamin E 64 mg. **Trace elements:** Iron sulfate 240 mg, zinc sulfate 190 mg, manganese sulfate 21.4 mg, copper sulfate 53.6 mg, sodium selenite 0.27 mg, calcium iodate 2.6 mg. **Amino acid:** Taurine 1 000 mg. **Technological additives:** Antioxidants, citric acid. May contain traces of peanuts. The food requirements are average and may vary according to age, activity level and environment. Amount of food should be adjusted accordingly. Always provide a source of clean fresh water. Store in a cool, dry place. See back of bag for best before date and batch code.

ADULT
CHICKEN

Composition: Chicken (21.0% fresh chicken, 20.0% dehydrated chicken), dehulled barley, brown rice, oatmeal, fresh chicken liver, beet pulp, chicken fat, pumpkin, brewer's yeast, dehydrated fish, fresh fish, salmon oil, flaxseed, *yucca schidigera* extract, inulin, cranberries, pineapple, spinach, green tea extract, apples, bananas, blueberries, broccoli, algae, sweet potatoes, glucosamine hydrochloride, chondroitin sulfate, parsley, rosemary extract. **Analytical constituents:** Protein 28.0%, fat content 14.0%, crude fibres 4.0%, crude ash 7.0%, calcium 0.9%, phosphorus 0.8%, magnesium 0.1%, potassium 0.6%, sodium 0.2%, omega-3 0.6%, omega-6 2.8%, glucosamine 100 mg/kg, chondroitin sulfate 100 mg/kg. **Additives per kg (nutritional additives):** Vitamins: Vitamin A (retinyl acetate) 10 000 IU, vitamin D₃ (cholecalciferol) 750 IU, vitamin E 64 mg, taurine 1 000 mg. **Trace elements:** Iron (as iron (II) sulphate monohydrate) 70.13 mg, zinc (as zinc sulphate monohydrate) 68.4 mg, manganese (as manganese sulphate monohydrate) 6.848 mg, copper (as copper (II) sulphate pentahydrate) 13.5 mg, selenium (as sodium selenite) 0.0027 mg, iodine (as calcium iodate anhydrous) 1.664 mg. **Technological additives:** Antioxidants, citric acid. May contain traces of peanuts. The food requirements are average and may vary according to age, activity level and environment. Amount of food should be adjusted accordingly. Always provide a source of clean fresh water. Store in a cool, dry place. See back of bag for best before date and batch code.

ADULT
FISH

Composition: Fish (28.0% from fresh fish, 14.25% from dehydrated fish), oat, brown rice, barley, flaxseed, pumpkin, canola oil, beet pulp, brewer's yeast, salmon oil, carrots, sweet potatoes, apples, blueberries, spinach, inulin, cranberries, pineapple, green tea extract, algae, chondroitin sulfate, glucosamine hydrochloride, parsley, *yucca schidigera* extract, rosemary extract. **Analytical constituents:** Protein 27.0%, fat content 14.0%, crude fibres 4.0%, crude ash 7.1%, calcium 0.8%, phosphorus 0.8%, magnesium 0.1%, potassium 0.6%, sodium 0.2%, omega-3 1.0%, omega-6 2.25%, glucosamine 100 mg/kg, chondroitin sulfate 100 mg/kg. **Additives per kg (nutritional additives):** Vitamins: Vitamin A (retinyl acetate) 10 000 IU, vitamin D₃ (cholecalciferol) 750 IU, vitamin E 64 mg. **Trace elements:** Iron sulfate 240 mg, zinc sulfate 190 mg, manganese sulfate 21.4 mg, copper sulfate 53.6 mg, sodium selenite 0.27 mg, calcium iodate 2.6 mg. **Amino acid:** Taurine 1 000 mg. **Technological additives:** Antioxidants, citric acid. May contain traces of peanuts. The food requirements are average and may vary according to age, activity level and environment. Amount of food should be adjusted accordingly. Always provide a source of clean fresh water. Store in a cool, dry place. See back of bag for best before date and batch code.

SENIOR
CHICKEN

Composition: Chicken (23.5% from fresh chicken, 23.3% from dehydrated chicken), barley, brown rice, fresh chicken liver, beet pulp, brewer's yeast, pumpkin, fresh fish, cranberries, dried egg powder, salmon oil, canola oil, spinach, flaxseed, apples, bananas, blueberries, broccoli, algae, sweet potatoes, glucosamine hydrochloride, *yucca schidigera* extract, inulin, pineapple, chondroitin sulfate, green tea extract, rosemary extract. **Analytical constituents:** Protein 28.0%, fat content 9.0%, crude fibres 2.5%, crude ash 8.0%, calcium 1.0%, phosphorus 0.9%, magnesium 0.1%, potassium 0.6%, sodium 0.2%, omega-3 0.3%, omega-6 2.4%, glucosamine 500 mg/kg, chondroitin sulfate 400 mg/kg. **Additives per kg (nutritional additives):** Vitamins: Vitamin A (retinyl acetate) 10 000 IU, vitamin D₃ (cholecalciferol) 750 IU, vitamin E 230 mg. **Trace elements:** Iron sulfate 240 mg, zinc chelate of amino acids hydrate 160 mg, zinc sulfate 190 mg, manganese chelate of amino acids hydrate 80 mg, cupric chelate of amino acids hydrate 40 mg, manganese sulfate 21.4 mg, copper sulfate 53.6 mg, sodium selenite 0.267 mg, calcium iodate 2.6 mg. **Amino acid:** Taurine 1 000 mg. **Technological additives:** Antioxidants, Citric acid. May contain traces of peanuts. The food requirements are average and may vary according to age, activity level and environment. Amount of food should be adjusted accordingly. Always provide a source of clean fresh water. Store in a cool, dry place. See back of bag for best before date and batch code.

NEW!
ADULT
TURKEY

Composition: Turkey (26.0% from fresh turkey), dehydrated fish, dehulled barley, brown rice, oat, canola oil, flaxseed, miscanthus grass, dried egg powder, brewer's yeast, inulin, cranberries, pineapple, pumpkin, salmon oil, green tea extract, glucosamine hydrochloride, chondroitin sulfate, Yucca schidigera extract, spinach, apples, bananas, blueberries, broccoli, algae, sweet potatoes, rosemary extract. **Analytical constituents:** Protein 28.0%, fat content 18.0%, crude fibres 4.75%, crude ash 7.0%, calcium 0.65%, phosphorus 0.57%, magnesium 0.1%, potassium 0.6%, sodium 0.2%, omega-3 3.0%, omega-6 3.0%, glucosamine 110 mg/kg, chondroitin sulfate 100 mg/kg. **Additives per kg (nutritional additives):** **Vitamins:** Vitamins: vitamin A (as retinyl acetate) 10 000 IU, vitamin D₃ (as cholecalciferol) 750 IU, vitamin E 75 mg, taurine 500 mg. **Trace elements:** iron (as iron (II) sulphate monohydrate) 72 mg, zinc (as zinc sulphate monohydrate) 68.4 mg, manganese (as manganese sulphate monohydrate) 6.848 mg, copper (as copper (II) sulphate pentahydrate) 13.4 mg, selenium (as sodium selenite) 0.0027 mg, iodine (as calcium iodate, anhydrous) 1.664 mg. **Technological additives:** Antioxidants, citric acid. **Technological additives:** Agar-agar. May contain traces of peanuts. Daily rations given are average and may vary depending on the animal's age, activity level and environment. The food ration should be adjusted accordingly. Always provide a source of clean fresh water. Store in a cool, dry place. See back of bag for best before date and batch code.

GRAIN-FREE ALL LIFE STAGES

CHICKEN

Composition: Chicken (21.5% from fresh chicken, 13.3% from dehydrated chicken), dehydrated fish, lentils, dried egg powder, fresh chicken liver, flaxseed, chicken fat, potatoes, tapioca, fresh fish, beet pulp, pumpkin, inulin, algae, alfalfa, glucosamine hydrochloride, chondroitin sulfate, green tea extract, yucca schidigera extract, spinach, apples, bananas, blueberries, broccoli, cranberries, sweet potatoes, rosemary extract. **Analytical constituents:** Protein 42.0%, fat content 20.0%, crude fibres 3.5%, crude ash 8.5%, calcium 1.3%, phosphorus 0.9%, magnesium 0.1%, potassium 0.7%, sodium 0.45%, omega-3 0.7%, omega-6 2.5%, glucosamine 700 mg/kg, chondroitin sulfate 500 mg/kg. **Additives per kg (nutritional additives):** **Vitamins:** Vitamin A (as retinyl acetate) 10 000 IU, vitamin D₃ (as cholecalciferol) 750 IU, vitamin E 93 mg. **Trace elements:** Zinc (as zinc chelate of amino acids hydrate) 160 mg, manganese (as manganese chelate of amino acids hydrate) 80 mg, iron (as iron (II) sulphate monohydrate) 70.13 mg, zinc (as zinc sulphate monohydrate) 68.4 mg, copper (as copper (II) chelate of amino acids hydrate) 40 mg, copper (as copper (II) sulphate pentahydrate) 13.5 mg, manganese (as manganous sulphate monohydrate) 6.848 mg, iodine (as calcium iodate anhydrous) 1.664 mg, selenium (as sodium selenite) 0.0027 mg. **Technological additives:** Antioxidants, citric acid. May contain traces of peanuts. The food requirements are average and may vary according to age, activity level and environment. Amount of food should be adjusted accordingly. Always provide a source of clean fresh water. Store in a cool, dry place. See back of bag for best before date and batch code.

FISH

Composition: Fish (30.9% fresh fish, 18.6% dehydrated fish), peas, pea protein, canola oil, chickpeas, brewer's yeast, flaxseed, pea fiber, pumpkin, inulin, sea salt, spinach, green tea extract, glucosamine hydrochloride, chondroitin sulfate, yucca schidigera extract, algae, apples, bananas, blueberries, broccoli, cranberries, sweet potatoes, rosemary extract. **Analytical constituents:** Protein 36.0%, fat content 18.0%, crude fibres 3.0%, crude ash 7.5%, calcium 1.0%, phosphorus 0.8%, magnesium 0.1%, potassium 0.6%, sodium 0.2%, omega-3 1.0%, omega-6 3.25%, glucosamine 600 mg/kg, chondroitin sulfate 500 mg/kg. **Additives per kg (nutritional additives):** **Vitamins:** Vitamin A (retinyl acetate) 10 000 IU, vitamin D₃ (Cholecalciferol) 750 IU, vitamin E 146 mg. **Trace elements:** Zinc (as zinc chelate of amino acids hydrate) 160 mg, manganese (as manganese chelate of amino acids hydrate) 80 mg, iron (as iron (II) sulphate monohydrate) 70.13 mg, zinc (as zinc sulphate monohydrate) 68.4 mg, copper (as copper (II) chelate of amino acids hydrate) 40 mg, copper (as copper (II) sulphate pentahydrate) 13.5 mg, manganese (as manganous sulphate monohydrate) 6.848 mg, iodine (as calcium iodate anhydrous) 1.664 mg, selenium (as sodium selenite) 0.0027 mg. **Technological additives:** Antioxidants, citric acid. May contain traces of peanuts. The food requirements are average and may vary according to age, activity level and environment. Amount of food should be adjusted accordingly. Always provide a source of clean fresh water. Store in a cool, dry place. See back of bag for best before date and batch code.

Always provide a source of clean fresh water. Store in a cool, dry place. See back of bag for best before date and batch code.

ADULT LAMB

Composition: Lamb (20.0% from lamb, 10.73% from dehydrated lamb), oat, barley, rye, dehydrated fish, canola oil, flaxseed, brown rice, dried egg powder, inulin, chondroitin sulfate, glucosamine hydrochloride, *yucca schidigera* extract, rosemary extract. **Analytical constituents:** Protein 23.0%, fat content 12.0%, crude fibres 3.0%, crude ash 7.5%, calcium 1.2%, phosphorus 1.0%, potassium 0.6%, sodium 0.2%, omega-3 0.65%, omega-6 2.0%, glucosamine 980 mg/kg, chondroitin sulfate 980 mg/kg. **Additives per kg (nutritional additives):** Vitamins: Vitamin A (retinyl acetate) 5 000 IU, vitamin D3 (cholecalciferol) 500 IU, vitamin E 370 mg. **Trace elements:** Ferrous chelate of amino acids hydrate 528 mg, zinc chelate of amino acids hydrate 600 mg, manganese chelate of amino acids hydrate 43.2 mg, cupric chelate of amino acids hydrate 74.4 mg, sodium selenite 0.32 mg, calcium iodate 1.4 mg. **Amino acid:** L-carnitin 400 mg. **Technological additives:** Antioxidants, citric acid. May contain traces of peanuts. The food requirements are average and may vary according to age, activity level and environment. Amount of food should be adjusted accordingly. Always provide a source of clean fresh water. Store in a cool, dry place. See back of bag for best before date and batch code.

ADULT CHICKEN

Composition: Chicken (20.0% from fresh chicken, 9.4% from dehydrated chicken), rye, brown rice, oat, barley, fresh chicken liver, dehydrated fish, canola oil, dried egg powder, flaxseed, sea salt, inulin, spinach, chondroitin sulfate, apples, bananas, blueberries, broccoli, cranberries, algae, sweet potatoes, glucosamine hydrochloride, *yucca schidigera* extract, rosemary extract. **Analytical constituents:** Protein 22.0%, fat content 12.0%, crude fibres 3.0%, crude ash 7.0%, calcium 1.0%, phosphorus 0.8%, potassium 0.6%, sodium 0.2%, omega-3 0.65%, omega-6 2.25%, glucosamine 900 mg/kg, chondroitin sulfate 820 mg/kg. **Additives per kg (nutritional additives):** Vitamins: Vitamin A (retinyl acetate) 5 000 IU, vitamin D3 (cholecalciferol) 500 IU, vitamin E 140 mg. **Trace elements:** Ferrous chelate of amino acids hydrate 528 mg, zinc chelate of amino acids hydrate 600 mg, manganese chelate of amino acids hydrate 43.2 mg, cupric chelate of amino acids hydrate 74.4 mg, sodium selenite 0.32 mg, calcium iodate 1.4 mg. **Amino acid:** L-carnitin 400 mg. **Technological additives:** Antioxidants, citric acid. May contain traces of peanuts. The food requirements are average and may vary according to age, activity level and environment. Amount of food should be adjusted accordingly. Always provide a source of clean fresh water. Store in a cool, dry place. See back of bag for best before date and batch code.

ADULT FISH

Composition: Fish (25.0% from fresh fish, 16.3% from dehydrated fish), barley, oat, canola oil, flaxseed, pearled barley, brown rice, sweet potatoes, sea salt, inulin, chondroitin sulfate, glucosamine hydrochloride, spinach, apples, bananas, blueberries, broccoli, cranberries, algae, *yucca schidigera* extract, rosemary extract. **Analytical constituents:** Protein 25.0%, fat content 14.0%, crude fibres 5.0%, crude ash 8.5%, calcium 0.85%, phosphorus 0.59%, potassium 0.65%, sodium 0.3%, omega-3 1.7%, omega-6 2.5%, glucosamine 930 mg/kg, chondroitin sulfate 930 mg/kg. **Additives per kg (nutritional additives):** Vitamins: Vitamin A (retinyl acetate) 5 000 IU, vitamin D3 (cholecalciferol) 500 IU, vitamin E 85 mg, taurine 1 000 mg. **Trace elements:** Iron (as iron (II) chelate of amino acids hydrate) 79.2 mg, zinc (as zinc chelate of amino acids hydrate) 90 mg, manganese (as manganese chelate of amino acids hydrate) 6.48 mg, copper (as copper (II) chelate of amino acids hydrate) 11.16 mg, selenium (as sodium selenite) 0.0032mg, iodine (as calcium iodate, anhydrous) 0.896 mg. **Technological additives:** Antioxidants, citric acid. May contain traces of peanuts. The food requirements are average and may vary according to age, activity level and environment. Amount of food should be adjusted accordingly. Always provide a source of clean fresh water. Store in a cool, dry place. See back of bag for best before date and batch code.

GRAIN-FREE ALL LIFE STAGES

The **Oven-Baked Tradition™** GRAIN-FREE recipes contain NO cereal product and consist of a higher amount of animal protein compared to most of the other products offered on the market. The majority of proteins come from fresh meat, containing essential amino acids, which promote good health & vitality for your animal. Studies show that dogs and cats respond better to proteins and fats from meat and that it is easier for them to assimilate and digest. **Oven-Baked Tradition™** GRAIN-FREE recipes are ideal for all life stages, for all lifestyle and for all breeds therefore, facilitating your choice for your little loved ones. Ingredients are selected with great care in order to obtain an ideal and functional recipe to meet the numerous specific needs of your animal. By choosing **Oven-Baked Tradition™** GRAIN-FREE food, your pet will get all he needs without any spare.

FISH

Composition: Fish (27.5% fresh fish, 15.0% dehydrated fish), peas, chickpeas, canola oil, tapioca, pea protein, pea fiber, sea salt, flaxseed, pumpkin, algae, inulin, spinach, green tea extract, glucosamine hydrochloride, *yucca schidigera* extract, apples, bananas, blueberries, broccoli, cranberries, sweet potatoes, chondroitin sulfate, rosemary extract. **Analytical constituents:** Protein 28.0%, fat content 18.0%, crude fibres 5.0%, crude ash 8.0%, calcium 1.1%, phosphorus 1.0%, potassium 0.6%, sodium 0.5%, omega-3 1.0%, omega-6 3.25%, glucosamine 400 mg/kg, chondroitin sulfate 300 mg/kg. **Additives per kg (nutritional additives):** **Vitamins:** Vitamin A (retinyl acetate) 5 000 IU, vitamin D3 (cholecalciferol) 500 IU, vitamin E 50 mg, taurine 1 000 mg. Trace elements: Iron (as iron (II) chelate of amino acids hydrate) 79.2 mg, zinc (as zinc chelate of amino acids hydrate) 90 mg, manganese (as manganese chelate of amino acids hydrate) 6.48 mg, copper (as copper (II) chelate of amino acids hydrate) 11.16 mg, selenium (as sodium selenite) 0.0032 mg, iodine (as calcium iodate anhydrous) 0.896 mg. **Technological additives:** Antioxidants, citric acid. May contain traces of peanuts. The food requirements are average and may vary according to age, activity level and environment. Amount of food should be adjusted accordingly. Always provide a source of clean fresh water. Store in a cool, dry place. See back of bag for best before date and batch code.

CHICKEN

Composition: Chicken (37.0% fresh chicken, 17.6% dehydrated chicken), peas, chickpeas, fresh fish, pea fiber, pea protein, canola oil, flaxseed, fresh chicken liver, pumpkin, dehydrated fish, sea salt, inulin, spinach, green tea extract, glucosamine, *Yucca schidigera* extract, algae, apples, bananas, blueberries, broccoli, cranberries, sweet potatoes, chondroitin sulfate, alfalfa, rosemary extract. **Analytical constituents:** Protein 34.0%, fat content 18.0%, crude fibres 5.0%, crude ash 8.0%, calcium 1.2%, phosphorus 0.9%, potassium 0.6%, sodium 0.3%, omega-3 1.0%, omega-6 2.5%, glucosamine 400 mg/kg, chondroitin sulfate 300 mg/kg. **Additives per kg (Nutritional additives):** **Vitamins:** Vitamin A (retinyl acetate) 5 000 IU, vitamin D3 (cholecalciferol) 500 IU, vitamin E 50 mg, taurine 1 000 mg. **Trace elements:** Iron (as iron (II) chelate of amino acids hydrate) 79.2 mg, zinc (as zinc chelate of amino acids hydrate) 90 mg, manganese (as manganese chelate of amino acids hydrate) 6.48 mg, copper (as copper (II) chelate of amino acids hydrate) 11.16 mg, selenium (as sodium selenite) 0.0032 mg, iodine (as calcium iodate anhydrous) 0.896 mg. **Technological additives:** Antioxidants, citric acid. May contain traces of peanuts. The food requirements are averages and may vary according to age, activity level and environment. Amount of food should be adjusted accordingly. Always provide a source of clean fresh water. Store in a cool, dry place. See back of bag for best before date and batch code.

RED MEAT

Composition: Lamb (15.2% from lamb, 12.06% from dehydrated lamb), dehydrated fish, green lentils, tapioca, potatoes, canola oil, pea fiber, dried egg powder, flaxseed, fresh pork, lamb heart, lamb liver, salmon oil, brewer's yeast, apples, inulin, coconut oil, sea salt, glucosamine hydrochloride, *yucca schidigera* extract, chondroitin sulfate, green tea extract, rosemary extract. **Analytical constituents:** Protein 26.0%, fat content 17.0%, crude fibres 5.5%, crude ash 8.5%, calcium 1.5%, phosphorus 0.95%, potassium 0.74%, sodium 0.4%, omega-3 1.85%, omega-6 2.35%, glucosamine 540 mg/kg, chondroitin sulfate 350 mg/kg. **Additives per kg (nutritional additives):** **Vitamins:** Vitamin A (as retinyl acetate) 5 000 IU, vitamin D3 (as cholecalciferol) 500 IU, vitamin E 150 mg, taurine 1 000 mg. **Trace elements:** Iron (as iron (II) chelate of amino acids hydrate) 79.2 mg, zinc (as zinc chelate of amino acids hydrate) 90 mg, manganese (as manganese chelate of amino acids hydrate) 6.48 mg, copper (as copper (II) chelate of amino acids hydrate) 11.16 mg, selenium (as sodium selenite) 0.0032 mg, iodine (as calcium iodate anhydrous) 0.896 mg. **Technological additives:** Antioxidants, citric acid. May contain traces of peanuts. The food requirements are average and may vary according to age, activity level and environment. Amount of food should be adjusted accordingly. Always provide a source of clean fresh water. Store in a cool, dry place. See back of bag for best before date and batch code.

Capra

GOAT DOG FOOD

NEW!

Baked with **goat meat** & organic sprouted grains

**GRAIN-FREE
SMALL BREED**

Composition: Goat (9.6% from goat, 8.0% from dehydrated goat, 4.3% from goat liver, 4.2% from goat heart), dried egg powder, pork (4.8% from fresh pork, 4.2% from pork liver), lentils, tapioca, potatoes, sweet potatoes, dehydrated lamb, flaxseed, turkey, dehydrated duck, organic hemp seed, miscanthus grass, salt, canola oil, salmon oil, organic sprouted peas, organic sprouted lentils, organic sprouted flaxseed, organic sprouted pumpkin seed, inulin, spinach, Yucca schidigera extract, eggshell powder, green lipped mussel, green tea extract, turmeric, apples, bananas, blueberries, broccoli, cranberries, algae (Schizochytrium sp., source of DHA), rosemary extract. **Analytical constituents:** Protein 26.0%, fat content 15.0%, crude fibres 4.0%, crude ash 7.7%, calcium 1.65%, phosphorus 1.0%, potassium 0.65%, sodium 0.32%, omega-3 1.0%, omega-6 2.0%, docosahexaenoic acid (DHA) 0.08%. **Additives per kg (Nutritional additives):** Vitamins: Vitamin E 160 mg. **Technological additives:** Antioxidants, citric acid. May contain traces of peanuts. Daily rations given are average and may vary depending on the animal's age, activity level and environment. The food ration should be adjusted accordingly. Always provide a source of clean fresh water. Store in a cool, dry place. See back of bag for best before date and batch code.

TURKEY & HEMP

Composition: Turkey (15.0% from fresh turkey), chickpeas, glycerin, potatoes, tapioca, cane molasses, pea fiber, pea protein, hemp seed (3.0%), flaxseed, canola oil, salt, rosemary extract. **Analytical constituents:** Protein 9.0%, fat content 7.0%, crude fibres 4.5%, crude ash 3.5%, omega-3 0.8%, omega-6 1.15%. **Additives per kg (Nutritional additives):** Technological additives: Antioxidants, citric acid. **Gelling agent:** Guar gum.

BACON

Composition: Dehulled barley, chicken (10.0% dehydrated chicken, 5.0% fresh chicken), glycerin, maize starch, chicken fat, pumpkin, inulin, lecithin, glucosamine hydrochloride, chondroitin sulfate, green tea extract, rosemary extract. **Analytical constituents:** Protein 12.0%, fat content 5.0%, crude fibres 3.0%, crude ash 2.4%, glucosamine 375 mg/kg, chondroitin sulfate 250 mg/kg. **Additives per kg (Nutritional additives):** Technological additives: Antioxidants, citric acid. **Sensory additives:** Natural bacon flavor. **Gelling agent:** Guar gum. May contain traces of peanuts.

WITH LIVER

Composition: Wheat, glycerin, maize fiber, dehydrated chicken, fresh chicken liver (5.5%), cane molasses, chicken fat, salt, miscanthus grass, lecithin, rosemary extract. **Analytical constituents:** Protein 12.0%, fat content 8.0%, crude fibres 3.0%, crude ash 5.0%, omega-3 0.1%, omega-6 1.75%. **Additives per kg (Nutritional additives):** Technological additives: Antioxidants, citric acid. **Gelling agent:** Guar gum. May contain traces of peanuts.

DENTAL

Composition: Rye, cane molasses, parsley, spinach, canola oil, spearmint leaves, pumpkin, miscanthus grass, cinnamon, glucosamine hydrochloride, chondroitin sulfate, inulin, green tea extract, rosemary extract. **Analytical constituents:** Protein 10.0%, fat content 4.0%, crude fibres 4.5%, crude ash 3.0%, omega-3 0.25%, omega-6 0.75%, glucosamine 400 mg/kg, chondroitin sulfate 250 mg/kg. **Additives per kg (Nutritional additives):** Technological additives: Antioxidants, citric acid. May contain traces of peanuts.

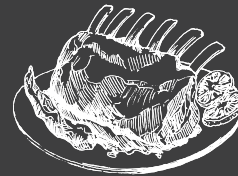

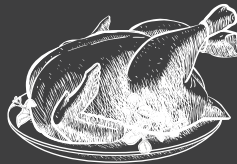

CHICKEN & PUMPKIN

Composition: Chicken (15.0% dehydrated chicken, 8.0% fresh chicken), peas, tapioca, glycerin, chickpeas, cane molasses, chicken fat, flaxseed, pumpkin (4.0%), pea fiber, salt, ginger, rosemary extract. **Analytical constituents:** Protein 16.0%, fat content 10.0%, crude fibres 4.0%, crude ash 6.5%, omega-3 0.3%, omega-6 1.5%. **Additives per kg (Nutritional additives):** Technological additives: Antioxidants, citric acid. **Gelling agent:** Guar gum. May contain traces of peanuts.

CAT

WET FOOD ALL LIFESTYLE

We strongly believe that our grain-free Oven-Baked Tradition™ wet food will play an important role in maintaining body fluid hydration and also contributes to optimum renal and urinary functions of our companions. In addition to being very palatable it adds variety to their diet.

QUAIL

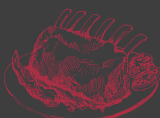

.....

Composition: Quail (17.0%), quail broth, turkey (15.0%), pork liver (9.0%), pea protein, sweet potatoes, pork (3.0%), peas, lentils, carrots, salt, algae, salmon oil, chia seeds, alfalfa, spinach, pumpkin, inulin, spirulina, apples, avocado, blueberries, broccoli, pineapple, pomegranate, cranberries, papaya, kale, fennel seeds, carob, tomato, chamomile, marigold, paprika, parsley, peppermint, green tea, rosemary, thyme, valerian, turmeric, aloe vera. **Analytical constituents:** Protein 8.0%, fat content 3.5%, crude fibres 1.0%, crude ash 2.5%. **Additives per kg (Nutritional additives):** Vitamins: Vitamin A (retinyl acetate) 2 000 IU, vitamin D3 (cholecalciferol) 150 IU, vitamin E 12.8 mg, taurine 100 mg. **Trace elements:** Zinc (as zinc chelate of amino acids hydrate) 56.6 mg, iron (as iron (II) sulphate monohydrate) 38.4 mg, iron (as iron chelate of amino acids hydrate) 33 mg, zinc (as zinc sulphate monohydrate) 30.4 mg, copper (as copper (II) chelate of amino acids hydrate) 11.6 mg, manganese (as manganese chelate of amino acids hydrate) 7.4 mg, manganese (as manganous sulphate monohydrate) 1.4 mg, iodine (as calcium iodate anhydrous) 0.6 mg, selenium (as sodium selenite) 0.014 mg. **Technological additive:** Agar-agar.

WILD BOAR

.....

Composition: Pork (17.0%), boar (12.5%), boar broth, pork liver (12.5%), pea protein, sweet potatoes, peas, lentils, carrots, flaxseed, salt, algae, salmon oil, chia seeds, alfalfa, spinach, pumpkin, inulin, spirulina, apples, avocado, blueberries, broccoli, pineapple, pomegranate, cranberries, papaya, kale, fennel seeds, carob, tomato, chamomile, marigold, paprika, parsley, peppermint, green tea, rosemary, thyme, valerian, turmeric, aloe vera, copper proteinate, *yucca schidigera* extract. **Analytical constituents:** Protein 9.0%, fat content 4.0%, crude fibres 1.0%, crude ash 2.0%. **Additives per kg (Nutritional additives):** Vitamins: Vitamin A (retinyl acetate) 2 000 IU, vitamin D3 (cholecalciferol) 150 IU, vitamin E 12.8 mg, taurine 100 mg. **Trace elements:** Zinc (as zinc chelate of amino acids hydrate) 56.6 mg, iron (as iron (II) sulphate monohydrate) 38.4 mg, iron (as iron chelate of amino acids hydrate) 33 mg, zinc (as zinc sulphate monohydrate) 30.4 mg, copper (as copper (II) chelate of amino acids hydrate) 11.6 mg, manganese (as manganese chelate of amino acids hydrate) 7.4 mg, manganese (as manganous sulphate monohydrate) 1.4 mg, iodine (as calcium iodate anhydrous) 0.6 mg, selenium (as sodium selenite) 0.014 mg. **Technological additive:** Agar-agar.

RABBIT

.....

Composition: Rabbit (16.0%), rabbit broth, ocean fish (14.0%), pork liver (11.2%), sweet potatoes, pork (3.7%), salmon oil, peas, pea protein, lentils, carrots, salt, algae, chia seeds, alfalfa, spinach, pumpkin, inulin, spirulina, apples, avocado, blueberries, broccoli, pineapple, pomegranate, cranberries, papaya, kale, fennel seeds, carob, tomato, chamomile, marigold, paprika, parsley, peppermint, green tea, rosemary, thyme, valerian, turmeric, aloe vera. **Analytical constituents:** Protein 8.0%, fat content 4.0%, crude fibres 1.0%, crude ash 2.5%. **Additives per kg (Nutritional additives):** Vitamins: Vitamin A (retinyl acetate) 2 000 IU, vitamin D3 (cholecalciferol) 150 IU, vitamin E 12.8 mg, taurine 100 mg. **Trace elements:** Zinc (as zinc chelate of amino acids hydrate) 56.6 mg, iron (as iron (II) sulphate monohydrate) 38.4 mg, iron (as iron chelate of amino acids hydrate) 33 mg, zinc (as zinc sulphate monohydrate) 30.4 mg, copper (as copper (II) chelate of amino acids hydrate) 11.6 mg, manganese (as manganese chelate of amino acids hydrate) 7.4 mg, manganese (as manganous sulphate monohydrate) 1.4 mg, iodine (as calcium iodate anhydrous) 0.6 mg, selenium (as sodium selenite) 0.014 mg. **Technological additive:** Agar-agar.

LOCAL FLAVORS

SALMON

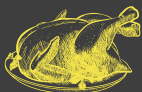

Composition: Pork liver (15.75%), salmon (9.0%), salmon broth, herring (7.0%), ocean fish (7.0%), pea protein, canola oil, pork (5.2%), peas, dehydrated salmon (0.6 %), flaxseed, lentils, sweet potatoes, salt, algae, carrots, chia seeds, alfalfa, spinach, pumpkin, inulin, spirulina, apples, avocado, blueberries, broccoli, pineapple, pomegranate, cranberries, papaya, kale, fennel seeds, carob, tomato, chamomile, marigold, paprika, parsley, peppermint, green tea, rosemary, thyme, valerian, turmeric, aloe vera, *yucca schidigera* extract. **Analytical constituents:** Protein 9.0%, fat content 7.5%, crude fibres 1.0%, crude ash 3.0%. **Additives per kg (Nutritional additives):** Vitamins: Vitamin A (retinyl acetate) 500 IU, vitamin D3 (cholecalciferol) 50 IU, vitamin E 5 mg. **Trace elements:** Zinc (as zinc chelate of amino acids hydrate) 75.6 mg, iron (as iron (II) sulphate monohydrate) 42.3 mg, zinc (as zinc sulphate monohydrate) 41 mg, iron (as iron chelate of amino acids hydrate) 36.3 mg, copper (as copper (II) chelate of amino acids hydrate) 25.6 mg, manganese (as manganous sulphate monohydrate) 3.3 mg, manganese (as manganese chelate of amino acids hydrate) 3.0 mg, iodine (as calcium iodate anhydrous) 0.4 mg, selenium (as sodium selenite) 0.007 mg. **Technological additive:** Agar-agar.

TURKEY

Composition: Turkey (28.6%), chicken (25.0%), turkey broth, pork liver (12.0%), pea protein, pork (4.0%), carrots, canola oil, navy beans, sweet potatoes, salt, flaxseed, lecithin, algae, chia seeds, alfalfa, spinach, pumpkin, inulin, spirulina, apples, avocado, blueberries, broccoli, pineapple, pomegranate, cranberries, papaya, kale, fennel seeds, carob, tomato, chamomile, marigold, paprika, parsley, peppermint, green tea, rosemary, thyme, valerian, turmeric, aloe vera, *yucca schidigera* extract. **Analytical constituents:** Protein 9.5%, fat content 7.5%, crude fibres 1.0%, crude ash 3.0%. **Additives per kg (Nutritional additives):** Vitamins: Vitamin A (retinyl acetate) 500 IU, vitamin D3 (cholecalciferol) 50 IU, vitamin E 5 mg. **Trace elements:** Zinc (as zinc chelate of amino acids hydrate) 75.6 mg, iron (as iron (II) sulphate monohydrate) 42.3 mg, zinc (as zinc sulphate monohydrate) 41 mg, iron (as iron chelate of amino acids hydrate) 36.3 mg, copper (as copper (II) chelate of amino acids hydrate) 25.6 mg, manganese (as manganous sulphate monohydrate) 3.3 mg, manganese (as manganese chelate of amino acids hydrate) 3.0 mg, iodine (as calcium iodate anhydrous) 0.4 mg, selenium (as sodium selenite) 0.007 mg. **Technological additive:** Agar-agar.

CHICKEN

Composition: Chicken (49.5%), chicken broth, pork liver (11.2%), pea protein, pork (3.7%), carrots, canola oil, sweet potatoes, salt, flaxseed, lecithin, algae, chia seeds, alfalfa, spinach, pumpkin, inulin, spirulina, apples, avocado, blueberries, broccoli, pineapple, pomegranate, cranberries, papaya, kale, fennel seeds, carob, tomato, chamomile, marigold, paprika, parsley, peppermint, green tea, rosemary, thyme, valerian, turmeric, aloe vera, *yucca schidigera* extract. **Analytical constituents:** Protein 9.5%, fat content 8.0%, crude fibres 1.0%, crude ash 3.5%. **Additives per kg (Nutritional additives):** Vitamins: Vitamin A (retinyl acetate) 500 IU, vitamin D3 (cholecalciferol) 50 IU, vitamin E 5 mg. **Trace elements:** Zinc (as zinc chelate of amino acids hydrate) 75.6 mg, iron (as iron (II) sulphate monohydrate) 42.3 mg, zinc (as zinc sulphate monohydrate) 41 mg, iron (as iron chelate of amino acids hydrate) 36.3 mg, copper (as copper (II) chelate of amino acids hydrate) 25.6 mg, manganese (as manganous sulphate monohydrate) 3.3 mg, manganese (as manganese chelate of amino acids hydrate) 3.0 mg, iodine (as calcium iodate anhydrous) 0.4 mg, selenium (as sodium selenite) 0.007 mg. **Technological additive:** Agar-agar.

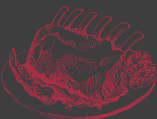

EXOTIC FLAVORS

QUAIL

Composition: Quail (20.0%), quail broth, turkey (12.0%), pork liver (7.5%), pea protein, sweet potatoes, peas, pork (2.5%), carrots, lentils, canola oil, salt, algae, chia seeds, alfalfa, spinach, pumpkin, inulin, spirulina, apples, avocado, blueberries, broccoli, pineapple, pomegranate, cranberries, papaya, kale, fennel seeds, carob, tomato, chamomile, marigold, paprika, parsley, peppermint, green tea, rosemary, thyme, valerian, aloe vera. **Analytical constituents:** Protein 8.0%, fat content 3.5%, crude fibres 1.0%, crude ash 3.0%. **Additives per kg (Nutritional additives):** Vitamins: Vitamin A (retinyl acetate) 500 IU, vitamin D3 (cholecalciferol) 50 IU, vitamin E 5 mg. **Trace elements:** Zinc (as zinc chelate of amino acids hydrate) 75.6 mg, iron (as iron (II) sulphate monohydrate) 42.3 mg, zinc (as zinc sulphate monohydrate) 41 mg, iron (as iron chelate of amino acids hydrate) 36.3 mg, copper (as copper (II) chelate of amino acids hydrate) 25.6 mg, manganese (as manganous sulphate monohydrate) 3.3 mg, manganese (as manganese chelate of amino acids hydrate) 3.0 mg, iodine (as calcium iodate anhydrous) 0.4 mg, selenium (as sodium selenite) 0.007 mg. **Technological additive:** Agar-agar.

WILD BOAR

Composition: Boar (13.7%), boar broth, pork liver (13.7%), pork (11.5%), pea protein, sweet potatoes, carrots, peas, lentils, salt, algae, chia seeds, alfalfa, spinach, pumpkin, inulin, spirulina, apples, avocado, blueberries, broccoli, pineapple, pomegranate, cranberries, papaya, kale, fennel seeds, carob, tomato, chamomile, marigold, paprika, parsley, peppermint, green tea, rosemary, thyme, valerian, turmeric, aloe vera. **Analytical constituents:** Protein 8.0%, fat content 5.0%, crude fibres 1.0%, crude ash 2.0%. **Additives per kg (Nutritional additives):** Vitamins: Vitamin A (retinyl acetate) 500 IU, vitamin D3 (cholecalciferol) 50 IU, vitamin E 5 mg. **Trace elements:** Zinc (as zinc chelate of amino acids hydrate) 75.6 mg, iron (as iron (II) sulphate monohydrate) 42.3 mg, zinc (as zinc sulphate monohydrate) 41 mg, iron (as iron chelate of amino acids hydrate) 36.3 mg, copper (as copper (II) chelate of amino acids hydrate) 25.6 mg, manganese (as manganous sulphate monohydrate) 3.3 mg, manganese (as manganese chelate of amino acids hydrate) 3.0 mg, iodine (as calcium iodate anhydrous) 0.4 mg, selenium (as sodium selenite) 0.007 mg. **Technological additive:** Agar-agar.

RABBIT

Composition: Rabbit (17.0%), rabbit broth, pork liver (11.2%), ocean fish (9.0%), sweet potatoes, pork (3.7%), canola oil, pea protein, peas, carrots, lentils, algae, chia seeds, alfalfa, spinach, pumpkin, inulin, spirulina, apples, avocado, blueberries, broccoli, pineapple, pomegranate, cranberries, papaya, kale, fennel seeds, carob, tomato, chamomile, marigold, paprika, parsley, peppermint, green tea, rosemary, thyme, valerian, aloe vera. **Analytical constituents:** Protein 8.0%, fat content 5.0%, crude fibres 1.0%, crude ash 2.0%. **Additives per kg (Nutritional additives):** Vitamins: Vitamin A (retinyl acetate) 500 IU, vitamin D3 (cholecalciferol) 50 IU, vitamin E 5 mg. **Trace elements:** Zinc (as zinc chelate of amino acids hydrate) 75.6 mg, iron (as iron (II) sulphate monohydrate) 42.3 mg, zinc (as zinc sulphate monohydrate) 41 mg, iron (as iron chelate of amino acids hydrate) 36.3 mg, copper (as copper (II) chelate of amino acids hydrate) 25.6 mg, manganese (as manganous sulphate monohydrate) 3.3 mg, manganese (as manganese chelate of amino acids hydrate) 3.0 mg, iodine (as calcium iodate anhydrous) 0.4 mg, selenium (as sodium selenite) 0.007 mg. **Technological additive:** Agar-agar.
